PARTNERS IN ACTION: ACTIVE AND INCLUSIVE!

Partnership Building Activity

Location: Brebu, Caras-Severin, Romania, La Padure Pension

Dates: 04-11.12.2025

04th and 11th traveling days

2025-1-RO01-KA151-YOU-000297339

Funded by the European Union

AIM OF THE PROJECT

- The Partnership-Building Activity will focus on developing and generating future KA154 and KA2 projects on youth participation and empowerment. Throughout the activity, participants will gain a comprehensive understanding of youth participation, exploring key concepts such as critical thinking, critical pedagogy, youth empowerment, and civic activism.
- Each participant will be invited to share a good practice or example of youth participation from their organization or country, creating a rich learning space for exchanging innovative approaches and local experiences.
- The overall aim of the project is to strengthen the capacity of youth workers and organizations to foster active youth participation, particularly among young people with fewer opportunities, within their local communities and democratic processes. The activity will support the creation of sustainable international partnerships and the development of inclusive participation projects that empower young people to become active, critical, and engaged citizens.

OBJECTIVES

- To build the capacity of youth workers and organizations to design and implement inclusive participation and civic engagement activities that motivate young people, particularly those with fewer opportunities, to take an active role in their communities and democratic processes.
- To create and strengthen international partnerships among youth organizations committed to promoting inclusion, participation, and active citizenship, and to develop joint future projects under Erasmus+ and the European Solidarity Corps.
- To exchange good practices and innovative methods in youth participation and empowerment, increasing the ability of organizations to engage diverse groups of young people, foster social inclusion, and multiply the impact through local follow-up actions.
